

# 20 YEARBOOK 23

MORNING STAR  
SCHOOL

# Note from the Pastors

Dear Parents, Students, and Staff

As we approach the end of another year at Morning Star, it is with great pleasure and a sense of immense pride that I write these few words about our extraordinary little school. This year marks our 20<sup>th</sup> year of existence. These long, arduous, yet very rewarding years have been a true testament to the hard work, dedication, and Godliness that characterises the amazing people that I serve with each day. I count it a true privilege to have worked alongside Pastor Clarence, Ms. Leroux, Mr Thompson and all the other members of staff, without whom Morning Star would simply not be the school that it is today. Throughout the years, I have observed the unwavering dedication of our Supervisors and Monitors,

who strive to inspire and educate our students, imparting not only knowledge but also Godly values and essential life skills. Their passion and genuine love for our students, have cultivated an environment where learning is not merely a task but an enjoyable journey of growth and development. It is to these men and women that I wish to say a huge "THANK YOU" from the bottom of my heart! Over these 20 years, I have eagerly watched young learners, successfully making their way through the numerous PACE levels, from 1001 through to 1144, graduating from Morning Star, and going on to universities and beyond. This is for me, one of the most rewarding experiences in my vocation. To our current students, I applaud your efforts and perseverance, and urge each one of you to continue embracing challenges, pursuing your vision, and letting your light shine brightly. These are the hallmarks of true champions, which is what you all are!!

I would also like to address the parents who entrusted us to educate their children. It is true that your child's happiness, security, and sense of wellbeing depends on the Godly environment at school, which is, I believe, why you chose Morning Star in the first place. However, your child is dependent to a larger degree on a loving, peaceful and harmonious atmosphere

in the home and loving, respectful relationships between the parents too. I plead with our moms and dads; walk in the fear of God and allow His Word to be the ultimate reference for your family life. This year again, I acknowledge the unstinting efforts of our Parents and Teachers Association (PTA). Your support and tireless involvement in various school activities have played an instrumental role in creating the great school we cherish today. Your commitment to enhancing our school facilities and especially the new primary playground is truly commendable, and I express my deepest thanks for your dedication. One particular highlight of this year that brought immense pride to our school was the inter-college athletics competition. Our exceptional athletes displayed their talents and skills on a grand stage, securing numerous medals and bringing much honour to our school.

As we bid farewell to this academic year, let us remember to keep our eyes on Jesus, who is the Author and Perfector of our faith. Let us cherish the hardships He has taken us through, the hurdles He has enabled us to overcome and be grateful for the strength He will give us to face the things that lie ahead at Morning Star School. God bless you all.

**Pastor Len**

Dear Parents,

After 20 years of serving at Morning Star School, and all the many changes I've witnessed taking place in our society during this time, I now realise, more than ever before, how vital Christian education is for our children. I encourage parents to hold firmly to the vision of Christian education which brought you to initially enroll your children in our school. We are living in difficult times and we need to strengthen ourselves in the grace and strength of our Lord Jesus Christ, so that we can stand in these times and continue to be role models for our children to follow. God has a wonderful plan for them, so let us be united and work together with Him so that His plan can come to pass. I am sure that as you page through this yearbook, you will be very pleased to see what your children have been up to this year and how well they have performed. I know that your joy is not only to see their achievements on the following pages, but because you have seen the results of their accomplishments throughout the year. Every student deserves to be complimented and congratulated because they have all achieved. It has not always been easy, but God faithfully intervened to help them and to show them how to give their best. When all is said and done, this is what matters most: that they have given their best. We are proud of them! It goes without saying that none of this would have

been possible without the consistent diligence of our staff. Throughout the entire year, they have worked with each student individually, caring for them and making sure they achieve and complete their daily goals, and going even further to comfort and encourage students who were facing challenges in their personal lives.

I wish to thank all our staff members, both teaching and non-teaching, for their dedication and for always answering the call, and always being there for our students. This is what makes Morning Star School special. I want to take this opportunity to say thank you to everyone who has helped us this year. May the Lord bless you. I wish you a happy New Year and I look forward to another fruitful year of Christian education for our children.

**Pastor Clarence**

Dear Morning Star School Community, as we approach the end of another remarkable academic year, I would like to take this opportunity to reflect on the journey we have undertaken together. Despite the challenges posed by various interruptions, this year has been a testament to our resilience, creativity, and unwavering commitment to providing Christian Education for your children. The first term presented numerous interruptions due to torrential

rain, making it a unique and testing period for all of us. However, even in the face of adversity, we managed to introduce several initiatives that enriched our learners’ lives.

Two of the highlights were the successful launch of the Academic Extension and the Creative Arts Programs for students in Grades 1 to 3. The academic program allowed our young learners to explore and deepen their understanding of various subjects, setting a strong foundation for their future academic endeavors. Additionally, the creative initiative not only nurtured our learners’ artistic talents but also encouraged self-expression and teamwork. Moving into the second term, we were kept busy with important events such as Sports Day, the Pastor’s Camp, and Parent Orientation. These events not only showcased our learners’ sporting prowess but also

strengthened the bonds within our school community. We believe that a well-rounded education encompasses physical, moral and spiritual development alongside academics. The third term continued the multitude of activities, including our fun Ball Sports Day and an unforgettable Reunion Island trip. These experiences allowed our learners to explore new cultures, challenge themselves, and develop a deeper appreciation for the world around them. Our motto, “Education is Life,” was truly exemplified throughout these experiences. Throughout the year, we have seen the power and value of individualised learning, as our dedicated staff worked tirelessly to ensure that each learner reaches their full potential. The progress and achievements of our students have been nothing short of remarkable, and I am incredibly proud of each one of them.

I would like to extend my heartfelt gratitude to the school’s management team for their unwavering support, spiritual guidance, and wise counsel. Your leadership is instrumental in steering our school towards excellence. I would also like to commend our dedicated staff for their innovation, resilience, and commitment to our learners’ success and the vision of Christian Education. As we look forward to a well-deserved break, let us remember that our education journey is a lifelong one. Together, we have built a strong foundation for our children, nurturing their academic, artistic, and spiritual growth. Thank you for your invaluable support and dedication to our school’s mission. Wishing you a restful and rejuvenating break.

## HAKUNA MATATA

Welcome to Grade 0! Both Mrs. Conhye and Mrs. Steciuk had a roaringly great year with their little 18 monkeys... They were all wild about learning and had so much fun at Big School. Our new adventure started with an amazing first; we had 3 sets of "twins"! Manon and Baptiste shared a birthday, as did Chloe and Annaya, as well as Thibault and Paige. Birthdays were extra fun to celebrate and we went bananas! We welcomed a new friend, Emy, who joined us in the third term. We all enjoyed our time in the jungle, learning lots of new things, growing up, and even losing a few teeth along the way!

## STAY PAWSITIVE!

**Teacher (T):** What day is it today? Mon...  
**Child (C):** Mondli!

**C:** Jesus has been batsized! (baptised)

**T:** Please sit up straight **C:** My chest is tired!

**T:** What's a beaver in French? Un cas... **C:** Casserole!

**C:** This weekend I will have paint-facing!

**T:** What do we boil water in? **C:** In an egg!

**C:** (Showing his umbrella bird) Look at my perrokey!

**T:** What do we do at the bank? **C:** We get some energy!

**C:** Shhhh! We are silly-peeing! (sleeping)

**T:** Who's the helper we learnt about yesterday?  
**C:** Annoyer! (A lawyer)

**T:** Who was in prison with Paul? Si...  
**C:** Citron!

## SAFARI TOUR

We celebrated Flag Day in our smart outfits, we also tried new flavours on a Fruit Tasting Day, we snuggled up on a Winter's Day with hot chocolate and marshmallows, enjoyed pizzas on Merit Shop Day, and even shared our drawings of "Plaster Clarence" during a special devotion time, and don't forget about all our Art classes! We had great fun meeting all our new friends: Zippy Zebra, Petey Peacock, Abby Antelope, Oliver Ostrich, and many more at Casela...

# GRADE 1

## MY FAVOURITE MEMORY OF GRADE 1

Playing on the big field (Lyam). Eating pizza (Grâciel). EVERYTHING...uum... the Friday treats! (Carson). Casela and Odysseo (Haayden). Baking cookies and changing the date on the calendar (Enzo). Cookie Day (Davon). Playing the popcorn game (Iliya). Playdough challenge (Samuel). The hippo ride with Mrs. Langworthy (Imela). Playing on the mat (Titus). Writing my name on the board when I complete my goals (Nevaeh). Playing with the train set (Keoni). "Sipping down" all the cookie toppings (Aaron). Making the magnetic clay fish, the happy birthdays, reading corner and extra break (Jacob). Fun Day and making the owl card for mommy and daddy (Rivaltz). Art (Inès). Working in my PACEs, painting the lizard, the class jobs and learning about animal classification (Yohan).

## ANIMAL CLASSIFICATION

Our class theme this year was animal classification. It was great to understand that similar things can be put together in the same group. We learnt about the different animal groups: mammals, reptiles, fish, birds and amphibians. To bring our knowledge to life we went to Casela for a special workshop and were able to classify all the animals we saw at the park. We also went to Odysseo to learn more about fish, vertebrates and invertebrates. Throughout the year we created some beautiful artwork relating to our class theme. Did you know whales are mammals and that the smallest reptile on earth is the mini-chameleon?

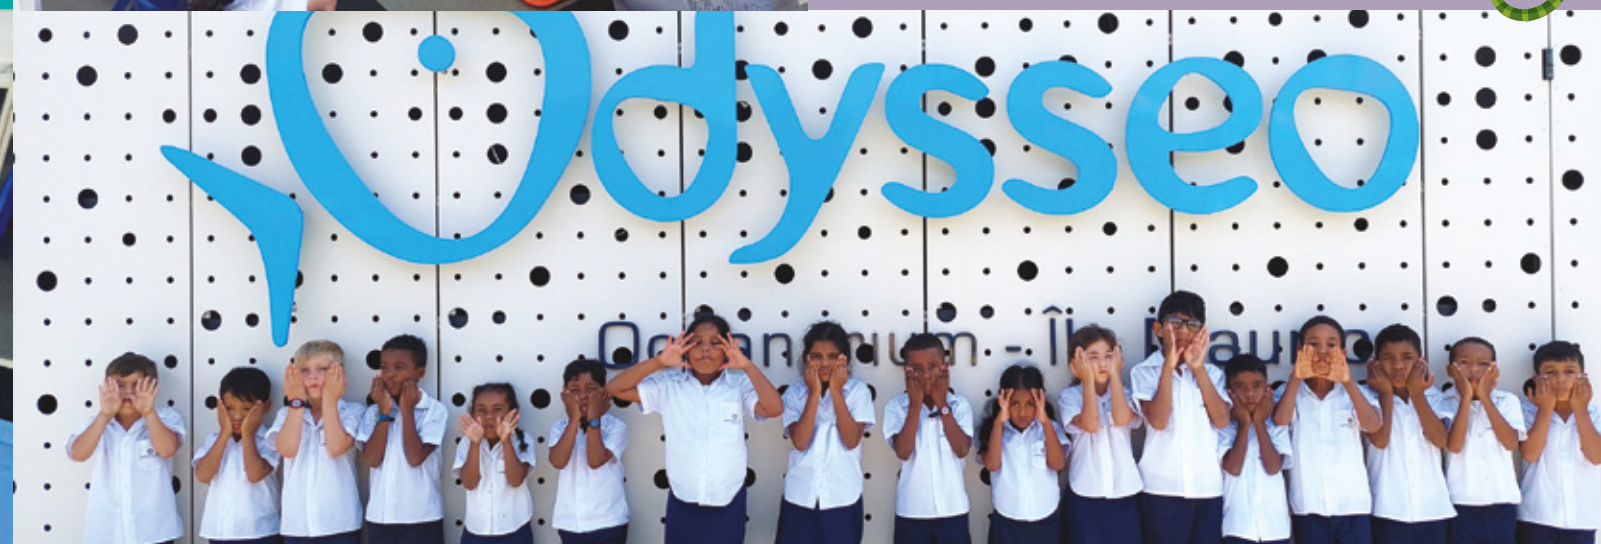

## THERE'S A FIRST TIME FOR EVERYTHING...

A lively bunch of first graders arrived fresh and ready to start the new year!

On our journey, we discovered some interesting firsts: we could put sounds together and read words, losing a first tooth could be a little bit scary, we could subtract while bowling, we shouldn't be afraid to be honest, a book is like a vertebrate - it has a spine, it is possible to learn a long verse and recite it, we would get a demerit for crawling from our office to the scoring station, we can't add 9+8 using our fingers only, we can run much faster than Mrs. Olinga, and last but not least, to our great surprise, Mrs. LangVY or Mrs. LangWODy is actually called Mrs. LangWORTHy!

Even though our school shirts aren't as white as they were at the beginning of the year (sorry mommy!), we can definitely say that we've had a blessed and marvelous time in GRADE 1!

# GRADE 2

## OUR EXTRA ACTIVITIES AND PROJECTS

We really enjoyed participating in Academic Workshops, where we learnt new things while having fun; doing exciting activities, playing games or even producing artwork. We also gave some creative oral presentations and had so much fun doing so. One of the highlights of the year was our class outing to Odysseo. It was such an adventure and we got to discover many different kinds of fish, sea creatures and huge sharks!

Yay, our Goal Checks are ready!

What are antonyms?

Our story book  
"The Winter Adventure"

## GRADE 2 FAMILY

What a wonderful and fruitful year it has been, where we have watched the Grade 2's growing day by day. Our class theme for this year was "We are God's Masterpiece". Throughout the year, we learnt how to live as a family, accepting that our friends are different but that we are all of great value in God's eyes. We had some special times during class devotions; we read Bible stories that taught us about God's character. We enjoyed the workshops on Goal Check and learnt all about setting our goals and filling out homework slips. Although we faced some challenges, we developed confidence and quickly got to grips with all the new procedures!

## HARD WORK

We're so grateful to have been part of this family, and to have guided and supported these precious students this year. This was their first year that they were able to work towards A, C, and E Privileges, and they really strived to achieve and to keep climbing the academic ladder. Students also had the opportunity to work together, use their imagination, and make a story book, by creating their own characters, producing the neatest handwriting, and beautiful colourings. We are so proud of all their hard work!

Congratulated by Ms. Leroux for our hard work

## HOWZIT? WELCOME TO AFRICA!

We found ourselves in Africa this year and learnt a thing or two about this great continent. Grade 3 presented some outstanding orals on African animals and on the different African countries. But before we hopped onto the big continent next door, our first orals were about places to visit in Mauritius. We enjoyed outings in our little part of Africa, almost getting lost in the beautiful Pamplemousses Botanical Gardens, and learning so much at the very interesting L'Aventure du Sucre Museum. We produced some beautiful artwork inspired by Mauritian artist Vaco Baissac, and we also learnt how to draw African patterns with oil pastels. We took our responsibilities in the Learning Centre very seriously, whether we were 'Line Leader' or 'Date Monitor', and thoroughly enjoyed our privileges; working on the blue table or free scoring, yay!

## IS IT?

In Grade 3, we provided endless entertainment to our Supervisor when doing our 'Stripes'. Some of our definitions were creative to say the least! Scab is when you grab a crab (Timothy). A jump is a body movement going upward (Nathan). A lake is like an ocean but it's smaller and with no sharks (Rébecca).

## EISH! WHAT A LOT TO REMEMBER!

In term 3, we enjoyed pottery making and Times Tales. We also needed to become Goal Check fundis (experts) before the big move to Grade 4 next year. Thankfully, our Goal Check demerits were less and less each week, with a number of us achieving the much sought-after Perfect Goal Check. It became increasingly difficult for Mrs. Black to choose the Big Five Workers as we were all doing so well, and as a reward for our hard work, we got to chow (eat) some lekker (tasty) Supervisor's treats. Tamarin lolly anyone? We all learnt lots this year and look forward to many more adventures together!

## FROM HAPPY CAMPERS TO CAMP CHAMPS!

The year began with an enthusiastic team effort as we worked together to draw up a "Class Agreement". Everyone gave their input and in the end we all signed the contract and pledged to uphold the class rules. Realising that we would need much wisdom from the Lord, we spent time studying the book of Proverbs. Some of us managed to read all 31 chapters and received a reward for our efforts! We worked hard to reach our goal for the weekly Supervisor's Treat, with Fridays being our celebratory days. We were also motivated to work towards A, C, and E Privilege, and aimed to reach the top of the Chart, always giving our best. "Happy Campers" quickly became "Camp Champs"!

Samuel signing our Class Agreement

Mallorie giving an oral on Crocheting to reach "E" Privilege

Congratulations to our students who read the Book of Proverbs!

Whose feet are warming up in our special corner?

Girls: Evellyne, Coralyne, Lucie, Mrs. Plat, Cierra, Cassey, Mallorie  
Boys: Jethro, Ethan, Julien, Matteo, Gabriel, Kéhan, Raphaël

Hiking up Signal Mountain together... We made it to the top!

Exploring the Citadelle

## GROWING TOGETHER

We learnt much through all our activities this year, especially our two class outings. We had such an adventure hiking up Signal Mountain, exploring the Citadelle together, and then visiting the Unesco Heritage Site, Aapravasi Ghat. In the third term we had the privilege of spending a night at Domaine de Lagrave, which was an amazing experience where we learnt about teamwork and supporting one another.

## BEST (AND WORST!) BITS OF SCHOOL THIS YEAR

The funniest day was when everybody laughed when Mr. Q. sneezed. The "wonderfullest" day was when I did 40 pages! **(Cassey)** The best day was the Colour Fun Day when Blue Team won. The worst day ever was when I had a fight with my bestie. **(Odyssey)** My happiest time was when I had no homework. I was most annoyed when my class was very excited during PACE work time. **(Mallorie)** I've enjoyed being back at MSS, even if I'm with the young Grade 4's- they're usually kind to me! **(Maëlys)** My best thing was when I got E Privilege. The funniest thing was when Mr. Q's shoe broke! **(Coralyne)** My favourite thing was Supervisor's Treat. My worst thing was to have a black cross. **(Emeline)** I love school because I can learn new things and get cool things at Merit Shop. I can work and be proud of myself. **(Ethan)** Friday is my best day because it's the last day; Monday is my bad day because I'm very tired. **(Anne-Christy)** My best thing was when I got E Privilege, my worst day was when I did not work hard. **(Lucie)** The nicest day was library day. The saddest thing was forgetting my sports kit and getting a demerit. **(Evellyne)** The best day was when I got my Grade 5 PACEs! **(Cierra)** My best part was going through the tunnels at the Citadelle. My worst part was long-division. **(Julien)**

As we entered our Amazon Rainforest classroom, we welcomed 3 new students: Clara, Dwayne and Trichia. During our first few days back at school we were busy bees getting our ducks in a row by reviewing rules, procedures, and basic Math and English concepts. As soon as we started working in our PACEs, we enjoyed weekly rewards such as hot chocolates and marshmallows, which were much appreciated on cold, rainy days, and refreshing fruit juice on hot summer days. We were blessed by the Doobah family with delicious butter chicken and farata as a special end of term treat!

Our class outing was a sunny one, and we visited the World of Seashells Museum. We were amazed by the huge collection of seashells and learnt many interesting facts, like how some shells were once used to dye clothes purple; a luxury that only the very wealthy could afford. We also learnt about how pearls were made, and about poisonous shells. We were able to visit an old sugar factory next to the museum. What a wonderful day we had!

## The best short story during devotions was about...

- "The eagle who thought he was a chicken, by Mrs. Malabar." **Emmanuel, Dwayne, Nathan, Clara, Bentley, Luke, Nathan B & Lyane.**
- "The little boy who was not very honest in front of people. By the way, that was a true story by Mrs. Malabar." **Ilan**
- "To stay close to Jesus otherwise we would get lost and be in danger, without realising it." **Norah & Solene**
- "Ecclesiastes 7:16 - too much of everything is not good!" **Vanille**
- "We shouldn't be thinking too highly, or too little, of ourselves!" **Hazaël & Leanne**
- "If God made you like an eagle then you should be flying high with the other eagles!" **Nathan L**
- "One girl thought she was too intelligent and did not revise for her test, and she failed!" **Lou**
- "When Mrs. Malabar was little, there was a time when she was not honest with her mom, so she had to face consequences." **Emilie**
- "Proverbs 23:4 - being rich isn't the most important thing, we should be full of love!" **Anthony**
- "Once, Mrs. Coutret didn't listen to her mom and she nearly died, but her mom saved her." **Trichia**

# GRADE 5A

In line with our classroom theme, we went to Ebony Forest for our class outing, and marvelled at the magnificent views while we learnt more about our endemic fauna and flora. As we paused to listen to the sounds of nature at Chamarel, we were reminded of the Scripture passage printed on our classroom wall, "Stand still and consider the wondrous works of God."  
Job 37:14

During the second term, we embarked on a journey around the world, presenting orals about the "Wonders of the World." We were amazed by the creative skills... We saw a model of the Grand Canyon made out of resin, the Roman Colosseum made out of cardboard and Lego, Mount Everest made out of cement, and the Great Barrier Reef made using coral and sand!

We enjoyed some yummy Supervisor's Treats: hotdogs and pancakes, as a reward for our outstanding efforts.

For Independence Day, we enjoyed producing mosaic artwork inspired by Vaco Baissac and we were grateful to Mr. Anseline for helping to bring out our creativity! We had some special mornings during devotions as we read and spoke about desirable character traits in God's Word.

*We learnt to be wise and efficient.* - Ethan

*We should not try to outdo others but rather to improve ourselves. - Abigael*

*We need to be like a branch attached to the tree if we want to bear fruit - Esthalina*

*Never give up and be kind to one another. - Ziya*

*Be thrifty.* - Neelvishen

## AN ASTRONOMICAL YEAR!

It feels like it was just yesterday when we welcomed 2023. How the year has flown! It may have gone by in a flash, but there were certainly some memories made that will stick with us forever. Each student's unique character, way of understanding and doing things, made them all very special. Some made us laugh, others made us marvel, and there were one or two who made Mr. Kaiyo lose the little hair he had left! Whatever the case, every one of them contributed to making this year a truly memorable one. The learning centre was always buzzing with energy and excitement and dull moments were very few. As with every year, Grade 6 students grew to love MATH and discovered that it isn't so bad after all. A little reminder to all Grade 6s: "You learn Math by doing Math," and never forget: "Practice makes perfect!"

## DISCOVERY

Learning was not limited to PACE work and we enjoyed and discovered much during our devotions, through oral presentations, and the many occasions we had to share our general knowledge.

## HAPPY DAYS

As well as all the FUNtastic Math, and the rest of the PACE work, we had fun celebrating the birthdays of all our little stars. These were truly fun days and cherished times where we were able to let off some steam and enjoy the cake! Who said school was boring?

## ALL ABOUT THE YEAR

### My year was...

- All about Math - Jade
- The funniest year ever - Sixtine
- Incredible and hard (Math!) - Céleste

### This year I learned...

- About Stars - Marie
- That I was the third fastest boy in sprinting - Nathaniel
- That both the earth and the moon rotate - Wayne
- That smiling was important - Elisha
- Many things about stars - Mael
- About Saturn - Amelie
- To use a telescope and to be patient - Tom
- That Mr. Kaiyo is lots of fun, but sometimes too proud of being bald and wants EVERYONE to be bald like him - Inès
- To fall in love with Math - Micah
- About astronomy - Jaden

# WE HAVE GREEN FINGERS

MyLandscapes is a young, ambitious landscaping company, like its director, Vincent. Its competent gardening team designs both interior and exterior gardens, as well as public areas such as roof tops, roadsides, roundabouts, etc. From simple designs to the more sophisticated, Vincent and his team plant grass, install irrigation systems, redesign landscapes, transplant trees, build rock walls, and install lighting to enhance your gardens.

**MyLandscapes** Co. Ltd.  
GARDEN DESIGN & MAINTENANCE

Chemin 20 Pieds, Grand Bay, Mauritius • Email: [infos@mauritiuslandscapers.com](mailto:infos@mauritiuslandscapers.com) • Phone: +230 5940 2616

# GRADE 7

The Grade 7 class of 2023 welcomed the year with a bang! We made the jump from Primary to Secondary and hoped the year would be nothing short of extraordinary. The first term was aimed at helping to put our best foot forward and to start off the year smoothly. Leading up to Independence Day, we learnt about Mauritius and our outing to l'Aventure Du Sucre in Pamplemousse gave us insight into the history of the sugar cane industry and how it has shaped the country. We were thrilled to learn exciting facts and we showcased our new-found knowledge through individual oral presentations.

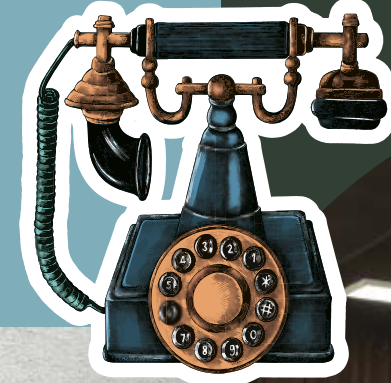

## FIRST TERM

The class theme was "Famous Failures of the World" and inspired the mural on the wall: "Mistakes are proof that you are trying!" Mr. Sweetman and Mrs. Pierre ensured that we had examples of famous men and women who overcame their personal setbacks, learning difficulties, and even failures, to become pioneers in their fields. We were always encouraged that, no matter how difficult the situation, we must never give up!

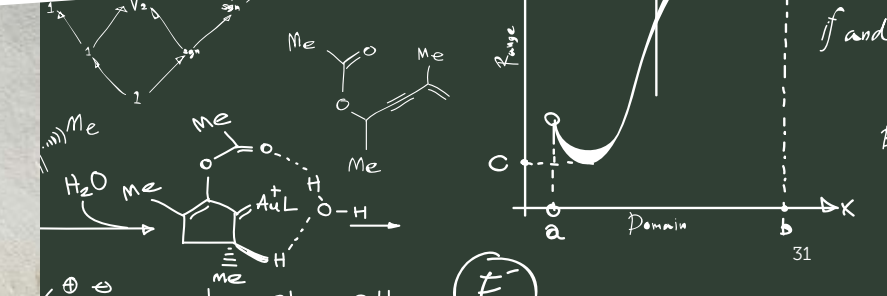

## SECOND TERM

The second term allowed us to give oral presentations about famous historical inventors and show how their inventions shaped modern technology. The great minds of Thomas Edison, Alexander Graham Bell, Nikola Tesla and many others were taken as examples. We also took up the challenge of reciting our monthly verse in front of the whole school in assembly, which helped us to grow in confidence through public speaking. The second term ended with the much anticipated wedding of Mr. Sweetman!

## THIRD TERM

We were very excited at the start of the third term for our class trip to Reunion Island, which was such a special time. We continued to work hard to keep Honor Roll in our sights, and to complete our projections. We also bid farewell to Akitsya Cotte who moved to England with her family. As we look back on the wonderful memories created this year, we thank the Lord for His grace that carried us through.

# GRADE 8

## THIRD TERM

From outings, to Ball Sports Day, to our trip to Reunion Island, and the end of year show, the 3rd term was buzzing with activity, but we managed to keep our heads above the water. We learnt to depend on God for His strength throughout the term to be able to finish the year well. The most precious thing to see this year was the new friendships created and the unity of the class. We learnt to appreciate one another just how God created us. We can confidently say that the challenges helped us to grow and in the end there were so many positive outcomes to be grateful for!

## SECOND TERM

During the 2nd term some of the Grade 8s represented the school at the Inter College Athletics and did extremely well. We all participated in our annual Sports Day and overcame some personal challenges. The Pastor's Camp was another memorable event that most of the class attended. We had so much fun playing games, having a bonfire, eating delicious food, and most importantly, hearing from the Lord for our lives. It was truly a blessed time.

## FIRST TERM

"Be still and know that I am God..." Psalm 46:10. We have definitely been through a few storms this year, but we've learnt to remain in peace during those times. The 1st term was particularly challenging, as we spent a lot of the beginning of the term at home due to bad weather. Thankfully, after a bit of an unsteady start, we were back to normal, back together, and back to work. The team building activities that we took part in as a class really helped us to learn to work together and to get to know each other well. We had lots of fun!

## 1<sup>ST</sup> TERM

As Mrs. Thésée and Ms. Bella welcomed their new students into the Learning Centre, they couldn't help but notice how angelic they all appeared... Greeted by a figure holding a bow and aiming at a target, it wasn't long before the students guessed that their class theme was Archery. Fresh-faced and bold, the students took on the challenges along the way and aimed to achieve their best results. Our first term oral presentations were about places of interest in Mauritius, from Ile aux Aigrettes, to the Black River Gorges, and Chateau de Labourdonnais, to name a few. The class was split into 2 teams and the challenge was to see who would accumulate the most points to win the 'Supervisor's Treat'. The teams aimed for the bull's-eye, with Mrs. Thésée keeping a watchful eye over the proceedings.

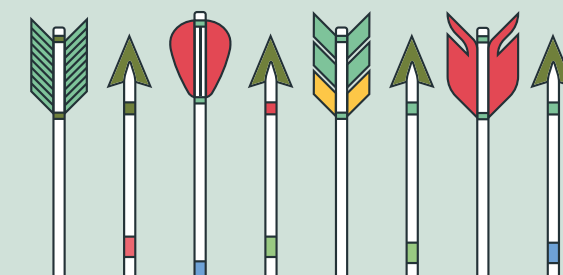

## 2<sup>ND</sup> TERM

A few archers managed to hit the top of the Thousands Chart, with everyone trying their hardest to get there. Our term oral was about "My future career" and students dressed up and brought various pieces of equipment for the occasion. As winter knocked on our door we decided to organise a Slippers Day and after a long session of hard work, we popped on our cosy slippers, made some hot chocolate, and enjoyed watching a film as a reward.

## 3<sup>RD</sup> TERM

Our motivated archers were aiming for Honour Roll in the last term and persevered to complete all their PACEs. Our outing was to the Rault Biscuit Factory in the south of the island where we learnt how manioc biscuits are made and that this is a product unique to Mauritius. We had lunch at the beautiful Blue Bay beach and then enjoyed a fun and enlightening team building session. We also said goodbye to one of our archers, Lucas, who moved to Canada with his family. We enjoyed celebrating Ms. Bella's birthday by throwing her a surprise party and we won't forget Slippers Day in a hurry.

## Ready for Anything!

The Grade 10 Learning Centre was full of characters, with very different personalities. A typical day looked something like this: Always first in line, Marie Morgane, leads the way as the rest of the students enter the class. Selvina settles down into her 'devotions position', with her head against her divider, as Mrs. Caussy repeatedly encourages Hugo to get ready for Goalcheck. As the day unfolds, Kwanza suddenly remembers she had French homework to do, as Amelie turns around to look at the clock (because Matteo told her to), in anticipation of small break! Jordan forges ahead on the Thousands Chart, trying to catch up with Demica, the only one to have reached the top, while the rest of the class are already packing their bags to go home. "What a day!" exclaims Mr. Hett, as the students wave goodbye!

## Projects

This year was filled with learning and discovery. We had fun exploring the 'Lost Trades' of Mauritius, a project that brought us to discover the history of some of the trades and skills practised by Mauritians in the past. We learnt about the 'Marsan Dile' (Milk Man), 'Ferblantier' (Tinsmith) and 'Charbonnier' (Coalman), while having fun working together in teams! There were many other opportunities to enjoy being together as a class, including eating ice-cream for Mrs. Caussy's birthday and doing quizzes to win extra break time!

## Outings & Adventures

This year we had fun visiting Eureka House, an old colonial style Mauritian house, which provided much insight into the life of a bygone era. We were also able to visit the immaculate waterfalls that are found on the grounds. We went on an exciting hike in Vallée de Ferney which, although tiring, was a great opportunity to discover some of the natural fauna and flora of Mauritius. After a tour in the past, our last outing was at the museum of digital art in Port Louis,

where we were immersed in mixtures of lights and patterns and a walk through the Caudan, and a picnic at the harbour.

## Gardening

We had fun planting our young Grenadilla plant by the school boundary fence. Everyone pitched in to work by digging, spreading the compost, watering and cheering on! There was much to be learnt from our lesson in good soil management and team work. We hope to reap the fruits soon!

## FIRST TERM: A WORK OF THE HEART

Reflecting on 2023 brings to mind Rudyard Kipling's poem, "If". "If you can keep your head when all about you are losing theirs." As I reminisce, I'm reminded of students panicking when reaching the end of a PACE, the end of a level, and even the end of their school career. My greatest reward has been to see them achieve their target with a sense of triumph as we all shout and rejoice with them. What a privilege to plant and water the seeds that God Himself grows in the hearts of these young people! As we celebrate our 20th year, we can only thank the Lord for His daily grace. Many of us know the famous saying: "Teaching is a work of the heart", and I can most certainly add that this job is not for the faint of heart! Mrs. Kaiyo.

## SECOND TERM: ACHIEVEMENT

### My greatest achievement of 2023...

- Hanna:** Being made a prefect and finishing school.
- Remi:** Being made a prefect.
- Ethan:** Starting Advanced Level.
- Agathe:** Finishing Intermediate Level.
- Paige:** Winning a silver medal at the Inter-college Athletics.
- Matthis:** Finishing School.
- Tanya:** Catching up on my work!
- Jesse:** Getting my driver's licence.
- Noä:** Finished General Level.

## THIRD TERM: WHAT A YEAR!

### One word to describe my year and why...

- Agathe:** Fun, because I liked my class this year; we worked hard and had fun with our teachers and classmates.
- Emanuel:** Eye-opening, the school has helped me grow and given me tunnel vision. Spending some time discovering my qualities has been crucial.
- Matthis:** Exciting: I am finally finishing school after 15 years!

### My greatest challenge was...

- Agathe & Ethan:** the History PACE's.
- Paige:** Getting back into PACE work.

### My favourite oral topic was...

- Matthis:** Learning about Malala's courage.
- Hanna:** Mandela's inspiring story, Steve Job's amazing contribution to technology, and Coco Channel's influence on fashion were eye-opening topics.

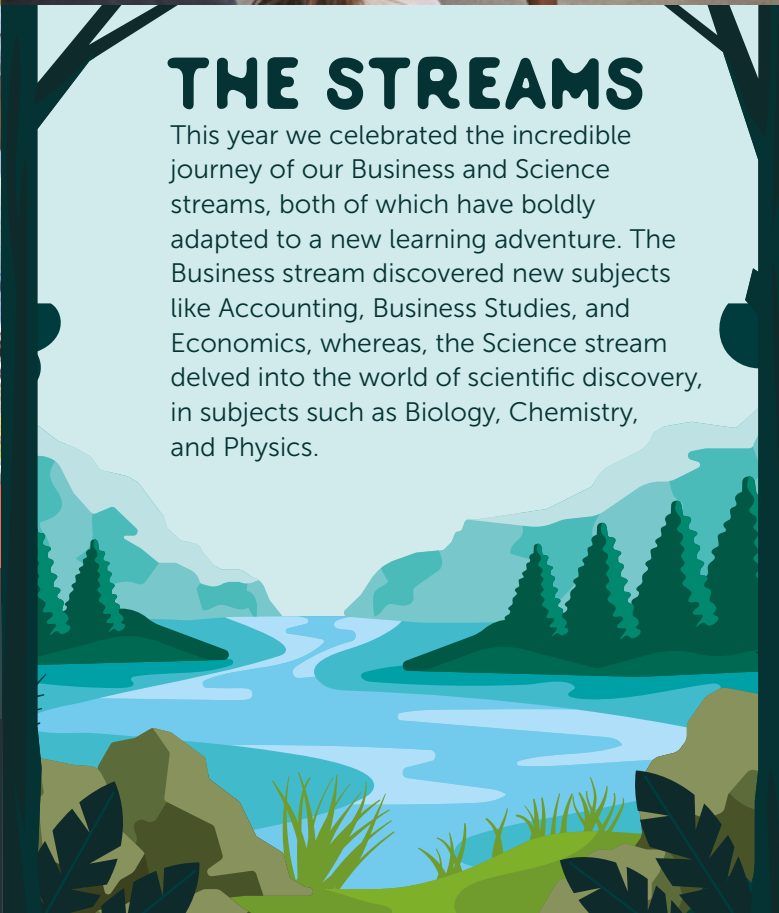

## THE STREAMS

This year we celebrated the incredible journey of our Business and Science streams, both of which have boldly adapted to a new learning adventure. The Business stream discovered new subjects like Accounting, Business Studies, and Economics, whereas, the Science stream delved into the world of scientific discovery, in subjects such as Biology, Chemistry, and Physics.

## A NEW ADVENTURE!

Embracing change with open hearts, the O Level class, composed of 19 dynamic students, stood on the cusp of a thrilling new adventure. Leaving behind the familiarity of their PACEs, they stepped boldly into unknown territory, ready to tackle the challenges of a new approach to learning. Each member of this lively bunch brought something unique to the table, creating a year filled with growth, camaraderie, and boundless potential. Together, they forged a path towards knowledge, driven by their shared determination to excel and explore. The O Level class of Morning Star School have been examples of resilience, adaptability, and willingness to discover, and have set a shining example for all who follow in their footsteps.

## INTERNAL EXAMS

In the third term, our students embarked on a new chapter, facing the challenge of writing exams for the first time. The air buzzed with anticipation, as they gathered their thoughts and sharpened their pencils. Through weeks of rigorous preparation, they showed great resilience and the exam venue became a stage on which they would shine. Nerves were calmed, uncertainty turned into confidence. Each student embraced this milestone, proving that with determination and the right support, they could conquer any academic mountain. This marked a significant step in their educational journey.

# Lower 9

## first term

This was the first year that Morning Star had students participating in Cambridge A Levels. The start of the year was both daunting and exciting, knowing that we were entering into something new; not only for the students but for the school too. Their sizable textbooks were an indication that the two year syllabus was going to require a long term vision, including hard work, self-discipline, and perseverance. We threw a bit of fun in too for good measure, with students painting walls, and blobbing about from time to time, in line with our class theme, "blobs". We must congratulate all the O Level students who performed so well in their examinations last year. Well done!

## second term

After a rather wet and disruptive first term, thanks to Freddy and friends, we were a little bit 'bogged down' but still managed to clock up a few online sessions, which helped keep the ball rolling. With the changing of the season, we were able to find our feet again and it started to feel more like flow production, or as the science department might say, there was low viscosity and more fluidity!

## third term

After a well deserved break, we returned to the grinding stone. It was exam season and students and teachers were in 'the zone'. This means to be in a mental state of focused concentration on the performance of an activity, in which one dissociates oneself from distracting or irrelevant aspects of one's environment. In other words, we were focused on exams! It was now time for students to put pen to paper and to remember everything they'd learnt throughout the year: Maslow's hierarchy of needs, atomic orbitals, liquidity ratios, and quadratic polynomials... Sound complicated?

# Prefects

**Jesse Nyathi**  
Being a prefect helped me grow and it’s been good to have a sense of responsibility around the school. I really enjoyed it and I would encourage everyone to strive to become a prefect because it’s a good opportunity to develop character and maturity.

**Matthis Fabien**  
I have served as a Morning Star prefect for quite some time now. This year was my final year at Morning Star, and therefore my last as a prefect. Throughout this journey I have gained valuable insights and recognise that there is still much more to learn. Being a prefect has instilled in me a strong sense of responsibility and confidence. I have learned the importance of connecting with all groups and ensuring that they never feel inferior to me. Instead, I strived to be a supportive friend and set the best possible example. Serving as a Morning Star School prefect has been a true honour. I will use the knowledge and experience I have gained as a prefect as a solid foundation for my future pursuits.

**Nia Keeling**  
2023 was a unique and exciting year as I was honoured to be appointed a prefect. I would like to thank the staff for entrusting me with this responsibility alongside the other prefects. Being a prefect has had its challenges, but it has also brought me opportunities and experiences that I will never forget. It has taught me many lessons and helped me grow in many ways. The team of prefects worked together to help improve the school, as well as setting an example for the younger students. I thank the Lord for helping me with this task, and I encourage all of the students to strive to become a prefect one day.

# Graduates

Congratulations to those students who successfully completed their General, Intermediate and Advanced Certificates this year. I’m sure they can agree with Ecclesiastes 7:8, *“The end of a thing is better than its beginning”*

## General Certificate:

**Jordan Hett (Grade 10)**  
General Certificate is a chapter of my life that I will never forget. The workload was hard enough for me to have to discipline myself to keep up the rhythm, but at the same time, I enjoyed what I was learning. I felt the Lord help me, especially through the last part of the Certificate, where I needed extra motivation to knock out those last PACEs. Some were tougher than others, but with the help of my teachers and everyone else, I made it through.

**Noă Marin (Grade 11/12)**  
Finishing General Certificate was definitely hard, and took longer than I thought it would. With the help of my amazing teachers, I’m finally DONE! This time taught me a lot of patience, motivation, and to trust the Lord for His help to keep going. At times I wanted to give up, but I pushed through. So trust me, if I can do it, you definitely can!

**Leah Fitzroy (Grade 11/12)**  
Finishing school was the end of an incredible journey, one I will always cherish. Although I faced many challenges along the way, I am very grateful for everything my school offered me. Throughout the years, I had exceptional teachers and school pastors who not only imparted knowledge but served as wonderful role models in my life. Their guidance and support, whether I was succeeding or struggling, has left a mark in my spiritual, personal, and academic growth to this day. The spiritual investment I received is priceless and I am so grateful to be part of the Morning Star School family.

## Intermediate Certificate

**Paige Albert (Grade 11/12)**  
My aim for this year was to finish my Intermediate Certificate, so I am very glad to have achieved that. Now it is time to move to the Advanced Certificate.

**Ethan Nyathi (Grade 11/12)**  
In the beginning, I struggled to understand Geometry, but in the end I found it quite easy. The only challenging thing for me was HOC, the work was incredibly hard as I had to push to finish six PACEs in one term. I am happy I was able to finish and start my Advanced Certificate.

**Agathe Bestel (Grade 11/12)**  
Finishing General Certificate was challenging but I’ve learnt a lot from it. I am glad to have accomplished it so that I can move forward.

**Tanya Koenig (Grade 11/12)**  
Pushing myself to finish my Intermediate Certificate this year made me realise that I have just one year left, and that I’ll be finishing soon. I’m so excited for life after school.

## Advanced Certificate

**Matthis Fabien (Grade 11/12)**  
Finishing the Advanced Certificate was very exciting, but it was also very challenging. I really enjoyed the Physics course, which covered science extensively. I also really enjoyed the Collectivism course with its many insights of historical events. The Advanced Certificate was a good training ground as I learnt to perform complex calculations, especially in Calculus. I am very proud to say that I completed the Science Bias for the Advanced Certificate and I’m looking forward to using what I’ve learnt as a foundation to pursue further studies.

**Benjamin Thomas (Grade 11/12)**  
I was extremely pleased to finish my Advanced Certificate in April this year. To say goodbye to all the people that I had spent the previous 14 years with, was a strange experience. I truly thank my teachers from the bottom of my heart for their continuous support throughout my schooling career. Advanced Certificate was a good challenge and one I very much enjoyed. As it says in Ecclesiastes 3, “There is a time for everything....” and my time at school is over. Thank you Morning Star School!

**Anne Sophie Célestin (Grade 11/12)**  
I finished my Advanced Certificate this year and I can say that it was only by God’s grace that I made it through. My school journey was full of ups and downs, but now I can testify that, “I can do all things through Christ which strengthens me.” I would like to thank all the teachers who guided me throughout my 12 years of school, and my parents, who have supported me every step of the way. As I enter this new chapter in life, I know that the Lord is with me.

**Dinesh Ramchand (Grade 11/12)**  
Finishing school has honestly been a huge weight off my shoulders! Completing Advanced Certificate, which was adequately challenging, was deeply satisfying. It was difficult to see the end of the road sometimes, but as long as one perseveres, it is very much in their capacity to reach the end of the track.

**Jesse Nyathi (Grade 11/12)**  
I am so happy to have finally finished! The Advanced Certificate proved to be easier than I had initially thought, although there were still some challenges to overcome. I managed to finish, thanks to all my teachers, and now I’m looking forward to what is ahead.

**Property  
with a personal touch.**

# French

## PRIMARY Mrs Lahonté

It has been a fruitful year, with students showing diligence and producing excellent results in all the dictations and the examinations. The Grade 2 and 3 students were encouraged to write a little poem about the sounds they learnt and I was so pleased with what they produced. Congratulations to all my students for their hard work!

*Le pommier Simon  
Est mignon  
Avec ses cheveux blonds.  
Il chante une chanson  
En conduisant son camion  
Il va en mission  
Pour sauver le pont d'Arignon.  
Thomas, Camille et Ethan - Gr 2*

*Le crapaud Motro a chaud.  
Il se met dans l'eau  
Et rencontre son amie Margot l'escargot.  
Ils décident de sortir du seau  
Et sautent sur une moto.  
Rébecca et Timothy - Gr 3*

### Spelling Bee Champion

In June, one of our Grade 5 students, Marie de Ravel de l'Argentiére, was selected to represent Morning Star School in a spelling competition organised by the Ministry of Education and the French Embassy. Marie came 1<sup>st</sup> in the Zone 4 semi-final to qualify for the final, where she came 2<sup>nd</sup> overall. Congratulations Marie on this remarkable achievement!

### Grade 6 Alliance Française Exam

I am so proud of the achievement of the students who participated in the Grade 6 Alliance Française exam. Jade Hett, Elisha Naidoo and Marie Lagesse all received a "TRES BIEN" mention (75-89%) and Sixtine Brousse de Laborde secured a remarkable third place overall in Mauritius, earning a well-deserved "EXCELLENT" mention (90-100%).

From left to right: Elisha Naidoo, Marie Lagesse, Sixtine Brousse de Laborde and Jade Hett.

## SECONDARY Mrs Azor

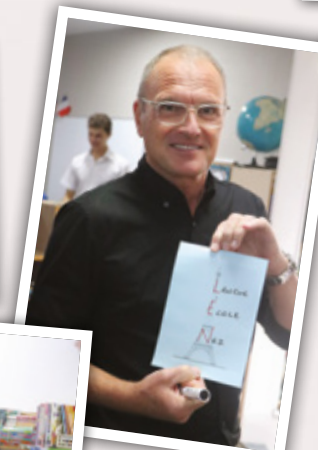

### Cambridge O-Level

We had an encouraging start to the year when in February, the O-Level students received excellent results and a 100% pass rate in French. This was testament to their hard work, dedication, and enthusiasm to learn until the very last day.

### Alliance Française Diplôme d'Études de Langues Étrangères (DELTA)

We had outstanding DELTA results this year and everyone who participated can be congratulated for their achievement. A few students really stood out, reaching the highest scores in their category: Hugo Fabien who achieved 96% for the DELTA A2, Cécilia Célestin who achieved 93% for the DELTA B1 exam, and Benjamin Thomas who achieved 91% for the DELTA B2. Well done!

### To summarise

There were many opportunities to promote the French language this year, through different activities, games, grammar challenges, dictations, and debates to name a few. On the 14<sup>th</sup> of July, we celebrated the French National Day. It was great fun for both students and staff to review their knowledge of French and to be able to measure their ability to read, write and play, while having fun! We look forward to holding this event again next year as it proved to be such a success. After all that mental exertion, we enjoyed some delicious French pastries, pain au chocolat (chocolate pastry), and croissant au fromage (cheese croissant). It was a special year where relationships were strengthened. We can rejoice in our accomplishments, and were reminded of how hard work is always rewarded. See you next year!

## IT with Mrs. Keeling

This year in the IT lab, we continued to educate students from Grade 1 - 12 through various mediums. The Junior Primary developed and enhanced their skills through fun lessons on the African Adventures curriculum. Grade 3 created their own windmills by first designing a pattern for the windmill in Paint, and then followed instructions to complete their project at home. The Senior Primary students worked on various interesting topics using different applications, such as Microsoft PowerPoint and Publisher, to present their work. Grade 6 conducted research on home-grown medicinal plants, which they presented to the class. At the beginning of the year, eleven new students started the Skills Pro curriculum, while others successfully completed their curriculum with great results. The students who obtained distinctions for at least 6 modules throughout the year were rewarded with a tasty lunch. Well done!

## STUDENT FELLOWSHIP

This year, the student fellowship team spent wonderful times reading, sharing and uplifting one another together in the Word of God. We were also blessed to hear the encouraging testimonies of the students who travelled to various teen camps and youth camps around the world. What a joy it is to see how the Lord touches the hearts of His young people! We also had great times of praise and worship, and fellowship in the presence of the Lord. We know that the Lord is raising an army and that He will use young people of today to lead the church of tomorrow. We are blessed each week to see that, despite the daily struggles they face, there are young men and women who want to

make a stand and follow Jesus. In the world we are living in today this is rare, but it's amazing to see how God blesses those who are ready to stand for Him. What a wonderful team God is creating, and we hope to see the group flourishing in 2024.

## MUSIC with Mrs. Q

After several years of interruptions it was good to get back to some kind of continuum during 2023. Music is a curriculum subject in the Primary section, but Senior students are free to use the Music room when it is available to sing, play and make music together. Independence Day 2023 was a fun celebration of the unique Mauritian culture, with several songs performed in Mauritian Creole. During the year Grade 6 students took a keen interest in learning the guitar in their music lessons, and made great progress after only a few weeks. A special congratulations must go to Grade 4 who are the first class ever to have nearly every student pass the Recorder Olympics, Level 1 certificate. Thank you to all Morning Star students throughout the school, who continue to develop their musical talents and shine for the Lord.

## PARENT'S ORIENTATION EVENING

On the 19<sup>th</sup> of May, our school hosted a Parent's Orientation evening, building upon the success of our inaugural session held last year. We were delighted to welcome 32 new parents, all eager to learn more about Christian education. The session commenced with a heartfelt reminder from Pastor Len, of the significance of Christian education. Miss Leroux then addressed practical matters, ensuring that parents were well-prepared to navigate the intricacies of our educational approach. With newfound knowledge in hand, parents were ushered into our Learning Centres, where they were tasked with completing a PACE (Pack of Accelerated Christian Education). This process was guided by our very dedicated staff members, including Mrs. Piat, Mr. Hett, Mr. Reed, and Mr. Olinga.

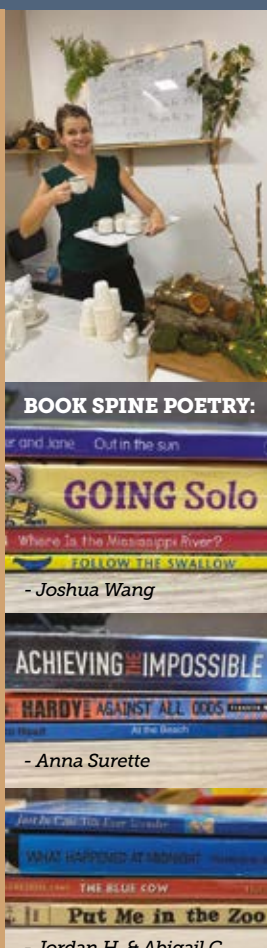

The Learning Centers witnessed moments of enthusiastic chaos, with pencils found at the scoring stations, red pens in offices, and score strips being passed left, right and centre! There was even an impromptu fireworks display. However, amidst the flurry of excitement, parents demonstrated unwavering determination and commitment to get to grips with the ACE methodology. As the evening drew to a close, each participant received a well-deserved participation certificate, further solidifying their role as valued partners in their child's educational journey.

## EXTENSION LESSONS with Mr. Grant

2023 has been a year with interruptions as a result of my travelling. Nonetheless, we have managed to cover quite a range of current affairs topics, including how SpaceX has reduced the cost of sending satellites to orbit. We also spent time helping the students understand why Mauritius became such a star key location in the Indian Ocean during the Age of Discovery, and the race to Asia for spices and silk... and how that related to the closure of the Silk Road, once European navigators finally arrived in the Indian Ocean at the beginning of 16<sup>th</sup> century.

## LIBRARY with Mrs. Gayraud

**The Library is Blossoming!** With more readers, more English books, more French books, more bookshelves, and more ideas... Here is a glimpse of what happened in the library this year: • We had an **influx of bookworms** this year! Students are really enjoying reading, always asking for new books and finding ways to borrow more books each week. • We had 2 **Library Café sessions** this year: "Forest Café" and "Café Littéraire". Thanks to the support and generosity of our parents we were able to buy many new books and we enjoyed good times of fellowship too. • **Book Spine Poetry Contest:** Our secondary students were challenged to create a poem using just the contents of a selection of book spines! The winners were **Joshua Wang, Anna Surette and Jordan Hett with Abigail Cazorla**. Well done for your creativity and wonderful imagination! We're looking forward to welcoming even more bookworms next year, and to inspire new literary adventures, and writing competitions!

**BOOK SPINE POETRY:**  
 and Jane Out in the sun  
**GOING Solo**  
 Where is the Mississippi River?  
 FOLLOW THE SWALLOW

**Put Me in the Zoo**  
 - Jordan H. & Abigail C.

# SPORTS DAY

Sports Day was a great success and I would like to congratulate all our athletes for the hard work and the excellent results they produced, in preparing for the Opening Ceremony and their different events. Once again we saw some exceptional performances and some budding new talent. Thank you to all those who helped to make this such an enjoyable event!

## BEST TEAM

**1<sup>ST</sup>**  
**YELLOW: 583 pts**

**2<sup>ND</sup>**  
**RED: 546 pts**

**3<sup>RD</sup>**  
**BLUE: 464 pts**

## BEST ATHLETES

### BENJAMIN

Boy: Noah Panier 52 pts  
Girl: Tilly Keeling 62 pts

### MINIME

Boy: Grégory Cotte 76 pts  
Girl: Ellie Keeling 77 pts

### CADET

Boy: Yann Nirsimloo 73 pts  
Girl: Amy Thompson & Nia Keeling 78 pts

### JUNIOR

Boy: Rémi Rougier-Lagane 65 pts  
Girl: Mathilde Labonté 57 pts

### OVERALL

Boys: Yann Nirsimloo 100m -11.3 -28 pts  
Girls: Tilly Keeling 800m -2.41.4 -29 pts

## MAURITIUS INTERNATIONAL SELECTIONS 2023

Nia and Ellie Keeling were both selected to represent Mauritius in different events in athletics this year. Ellie participated in the U16 Inter Islands Combined Events Championships Held in Reunion Island. Nia (Captain) and Ellie were in the Mauritian team for the U18 Combined Events versus Reunion and Seychelles and Mauritius won.

Nia proudly represented Mauritius at the Indian Ocean Island Games in (Madagascar) in the 800m & 1,500m (With a new U18 National Record of 4:55:10 in the 1,500m).

Our Grade 0 Supervisor, Mrs. Johanna Steciuk, also represented Mauritius in Toruń (Poland) in April at the World Masters Athletics Indoor Championships. She came 5th in the Pole Vault.

# INTERHOUSE CROSS COUNTRY

Tuesday 21<sup>st</sup> March 2023

This year marked the 4th edition of our Morning Star School Inter-House Cross-Country event. The level of competition was very high, with some outstanding performances from our primary and secondary students. Students, teachers and officials contributed to making this day a great success, and a big congratulations to the Yellow Team for their win. We look forward to a re-match next year!

## INTER COLLEGE REGIONAL ATHLETICS

### REGIONAL FINALS

23 - 24 May at Bambous Stadium

After a 3 year break, the MSSSA held the Regional Inter College Athletics once again. 52 of our athletes participated and were motivated and determined to give their best. They displayed excellent team spirit in all their events and really shone for Jesus. Congratulations to everyone who participated and we hope to see you on the battlefield again next year!

**Results:** 37 medals won: 26 Gold, 7 Silver, 4 Bronze and 4 Trophies

### GOLD MEDALISTS:

**Kaylee Thompson** (U16) Javelin - 20.27m  
**Amy Thompson** (U18) 400m - 1.03.00  
**Amy Thompson** (U18) High Jump - 1.43m  
**Charlotte Thomas** (U18) 100m - 12.9  
**Rémi Rougier-Lagane** (U20) 1500m - 5.21.4  
**Matthew Philippe** (U18) 400m - 57.4  
**Lia O'Connor** (U12) 60m - 8.5  
**Lia O'Connor** (U14) 150m - 20.3  
**Jesse Nyathi** (U20) Discus - 32.94m  
**Yann Nirsimloo** (U18) 100m - 11.4  
**Noä Marin** (U20) Javelin - 17.89m  
**Roulain Lajeunesse** (U18) High Jump - 1.75m  
**Mathilde Labonté** (U20) Shot Put - 9.90m  
**Mathilde Labonté** (U20) Discus - 28.97m  
**Tilly Keeling** (U14) Long Jump - 3.67m  
**Tilly Keeling** (U14) 800m - 2.46.6  
**Ellie Keeling** (U16) 300m - 46.0  
**Ellie Keeling** (U16) Long Jump - 4.59m  
**Nia Keeling** (U18) Javelin - 22.15m  
**Nia Keeling** (U18) 800m - 2.29.3  
**Melissa Fra** (U14) Shot Put - 6.87m  
**Matthis Fabien** (U20) Shot Put - 10.01m  
**Agathe De Maudave Bestel** (U20) Long Jump - 4.38m

**U14 4 x 100m Relay:** Tilly Keeling, Lia O'Connor, Gabriel Marin, Sarah Lagesse - 1.01.8

**U18 Medley Relay 100m, 200m, 300m, 400m:**  
Amy Thompson, Charlotte Thomas, Amélie Chinien, Nia Keeling - 2.32.0

**U18 Medley Relay 100m, 200m, 300m, 400m:**  
Clément De Maudave Bestel, Yann Nirsimloo, Matthew Philippe, Roulain Lajeunesse - 2.14.7

### SILVER MEDALISTS:

**Charlotte Thomas** (U18) 200m - 26.7  
**Jesse Nyathi** (U20) High Jump - 1.63m  
**Jonah Nullatumby** (U14) 150m - 21.3  
**Rémi Marin** (U16) 800m - 2.20.9  
**Agathe De Maudave Bestel** (U20) 200m - 29.8  
**Paige Albert** (U20) High Jump - 1.33m  
**Noé Adoue** (U14) Long Jump - 4.13m

### BRONZE MEDALISTS:

**Caleb Vismer** (U20) Javelin - 30.32m  
**Noah Panier** (U14) Shot Put - 7.33m  
**Loic Mathurin** (U18) Long Jump - 5.21m

**U16 4 x 100m Relay:** Kaylee Thompson, Tilly Keeling, Emmanuela Bruder, Demica Maurel - 59.9

### OVERALL RANKING:

#### BOYS:

**U14:** 33 points - 3rd  
**U16:** 34 points - 5th  
**U18:** 62 points - 2nd  
**U20/U20+:** 50 points - 4th

#### GIRLS:

**U14:** 50 points - 1st  
**U16:** 50 points - 1st  
**U18:** 65 points - 1st  
**U20/U20+:** 57 points - 2nd

**REWARDS:** 3 Trophies for Best Girls U14, U16 & U18 Teams, and 1 Trophy for Best Girls Team Overall

### INTER COLLEGE ATHLETICS: ATHLETE'S COMMENTS

**Matthew Philippe:** My first Inter College was extraordinary. Furthermore, winning 2 gold medals in the 400m and the relay was the best! Thank you Mrs. Célestin for helping me to achieve my best.

**Melissa Fra:** It was scary, but fun. I was happy to see Mrs. Célestin having fun, and everyone did so well.

**Rémi Rougier Lagane:** Morning Star was so strong! It was not very easy but we made it and won a lot of gold medals. Well done Mrs. Celestin, and everyone!

**Jonah Nullatumby:** I loved Inter College, the time spent with my friends was fun and I was happy I went home with a medal.

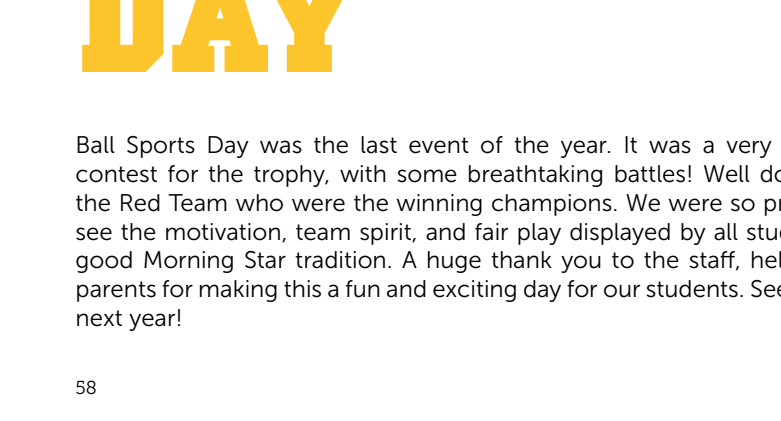

**Mathilde Labonté:** It was amazing to see and feel the team spirit. It was as though we were a family; encouraging one another, screaming our lungs out! With both Mrs. Célestin and Mr. Hartmann's support, we were all able to perform amazingly well and shine for Morning Star School.

**Lia O'Connor:** I loved Inter College. It was fun being with my school. I love my school.

**Sarah Lagesse:** Inter College was a great experience for me because it was my first time. I loved it!

**Nia Keeling:** This was my first time representing the school for the Inter College. It was a very special time as we all did our best and supported each other. It was an honour to be part of the girls medley relay and to bring the gold medal home. A big thank you to Mrs. Célestin as it would not have been possible without her!

Saturday  
10 September  
2023

# BALL SPORTS DAY

Ball Sports Day was the last event of the year. It was a very close contest for the trophy, with some breathtaking battles! Well done to the Red Team who were the winning champions. We were so proud to see the motivation, team spirit, and fair play displayed by all students, in good Morning Star tradition. A huge thank you to the staff, helpers, and parents for making this a fun and exciting day for our students. See you again next year!

# PASTORS Camp 2023

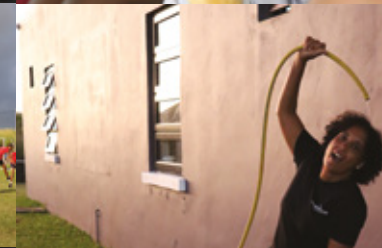

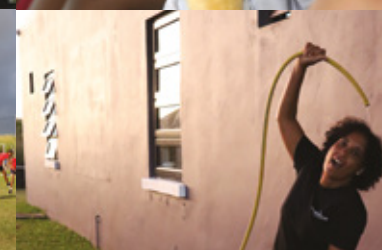

After a two-year hiatus, we were thrilled to resume our annual Pastors Camp on the first weekend of June. The school hall and several Learning Centres were transformed into dormitories, and temporary 'showers' were set up. Students from Grade 5 and above were invited, and this year we had 145 campers. Twenty staff members volunteered their time to support and take care of the students.

The day kicked off with exciting games, followed by wonderful bucket showers and then Pastor Len's insightful talk about the life of Samson and the perils of getting too close to the world. He used vivid illustrations to drive his point home, ensuring we all understood the message clearly.

A delicious dinner was served, and as the evening fell, we gathered around a roaring bonfire, roasting marshmallows in abundance. Despite a seemingly short night, we were greeted by a beautiful sunrise. In the morning meeting, Pastor Clarence shared inspiring words, lifting the spirits of many students.

Mr. Hartmann had prepared a thrilling treasure hunt throughout the night, and after the morning session, the school buzzed with excitement as everyone eagerly searched for clues, crisscrossing the campus.

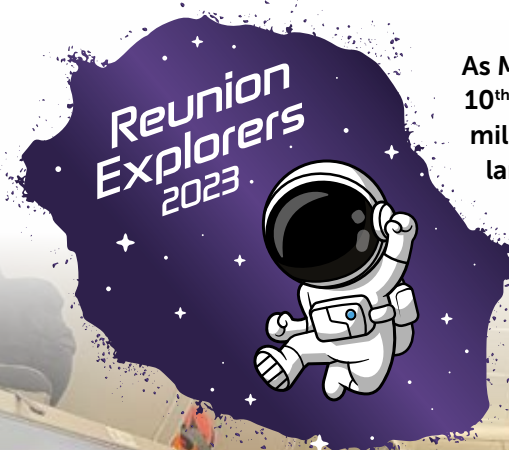

In summary, it was another fantastic experience for both staff and students. We eagerly anticipate the next camp in 2024, already looking forward to creating more cherished memories together.

This year's Music Day was celebrated in style; the assembly hall was transformed into a more intimate and comfortable space to create a welcoming atmosphere for our young musicians, and there was a good turnout of staff and students to support and appreciate the talent on display. The primary school students performed piano, recorder, guitar and ukulele solos, or joined together in small groups of friends to sing songs. One group was entirely student-led; Emilie Deville confidently accompanied her friends on the piano, as they performed a song together. Senior students of all ages performed songs in peer groups or sibling groups, and impressed us with their instrumental skills and beautiful vocal harmonies. It was exciting and inspiring to see so much new talent, and we look forward to future developments with much anticipation.

As Morning Star School celebrates its 20<sup>th</sup> anniversary, we reached the 10<sup>th</sup> school trip to Reunion Island. What better way to celebrate this milestone than taking a fantastic group of 48 excited students, the largest number to date, to the Island. It was an epic ride filled with unforgettable moments that have been engraved in our memories. We learnt a lot, ate a lot, played a lot, laughed a lot, and just had a lot of fun! A huge thank you to Mr. Kaiyo, Mrs. Banor, Mrs. Pierre, and Mr. Sweetman who accompanied the students.

# MARILYN BRETILLARD

## Art Competition 2023

This year, students were asked to create an original piece of art inspired by Genesis 1:20. We had many beautiful entries, especially from the primary section, which made the judging very challenging. A big thank you to our esteemed judges: Simon Back, Bernadette Mok, Jenny Legland and Tikvah Vismer, who gave of their time and expertise to judge all the artwork. Congratulations to this year's winners, as well as to every student who entered.

### Theme

Then God said, "Let the water be filled with living things. And let birds fly in the air above the earth."

Genesis 1:20

### Junior Primary (Grades 0-2)

**Winner: Samuel Moodelly**

**2<sup>nd</sup>: Anna Chaplin**

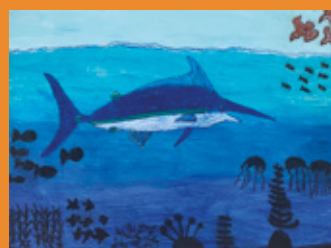

**Special Mention:**

**Titus Olinga**

**3<sup>rd</sup>: Chloe Wilsher**

**Camille Piat**

### Senior Primary (Grades 3-6)

**Winner: Jade Hett**

**2<sup>nd</sup>: Maël Soorabally**

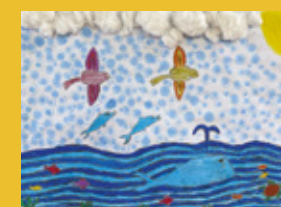

**3<sup>rd</sup>: Paulin Gayraud**

**Special Mention:**

**Nathan Bassey**

**Trichia Monique**

### Secondary (Grades 7+)

**Winner: Loïs Le Febvre**

**2<sup>nd</sup>: Rajvhir Dayal**

**3<sup>rd</sup>: Jordan Hett**

**Special Mention:**

**Tanya Koenig**

# Poetry

## COMPETITION

# Winners

Stanzas, limericks, and haikus... This year's creative writing competition took a turn to poetry. From the search to find the perfect rhyming word, to the rhythm of your pens tapping on the desk to check the syllable count, we thoroughly enjoyed reading all your entries. Well done to each and every one of you! We hope you continue to explore the amazing world of poetry.

**Tikvah Vismer**

### Grade 4-6:

## STANZA

The poem must follow the ABAB pattern and must use two of the following words: Sky, Sea, Frog, Flower, Moon, Clouds, Whale, Forest, Book, Leaves.

### Grade 7-9:

## LIMERICK

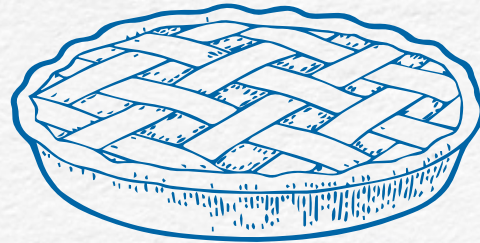

The poem must follow the AABBA pattern and explore one of these themes: Nature, A Journey, Hopes, Disappointment, Identity, Friendship.

### Grade 10-12, O'Levels & A'Levels:

## HAIKU

A Haiku is a Japanese form of poetry that consists of 3 lines, with 5 syllables in the first line, 7 in the second, and 5 again in the third. Tell any story in 17 syllables.

### GRADE 4-6

#### 1<sup>st</sup>: Ethan Mitchell

Have you ever eaten a pie?  
You should taste one made on the moon!  
To do that, you need to fly in the sky...  
So, let's go at noon!

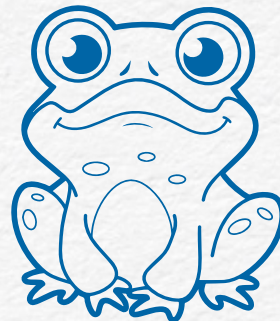

#### 2<sup>nd</sup>: Mael Sorabally

Waves in the clouds.  
Waves in the sea.  
The songs of the sea are loud.  
The beauty of the waves are free.

#### 3<sup>rd</sup>: Gabriel Steciuk

I went into the forest  
There was a lot of fog  
I wanted to rest  
But there was a silly frog!

#### Special Mention:

#### Léo Gayraud

As I came out of the forest,  
I wondered if I could fly,  
I took a little rest,  
And went up in the sky.

#### Jade Hett

Under the starry sky I lay,  
Seeing the silver moon above  
Its light shone brightly like the day,  
Reminding me of our Creator's love.

### GRADE 7-9

#### 2<sup>nd</sup>: Solène Deville

##### Friendship

It all starts with a "hello",  
Then turns into a glow.  
A bond starts forming,  
Even though quarrels come storming,  
True friendship will always show.

#### 3<sup>rd</sup>: Alissa Shaw

##### Nature

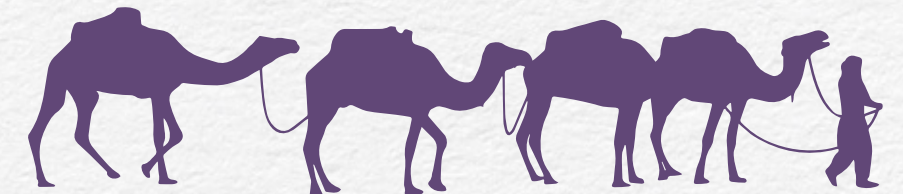

As I sit down by the trees,  
My gaze shifts toward a bunch of bees.  
It really is a majestic sight,  
Watching these creatures in mid-flight.  
They really are a special species!

### GRADE 10-12, O'LEVELS & A'LEVELS

#### 1<sup>st</sup>: Anna Surette

Bitter tears falling,  
Loud cries from desperate hearts,  
Promised war coming.

#### 2<sup>nd</sup>: Caleb Vismer

Another season,  
Stars guide lonely travellers,  
Arabian nights.

#### 3<sup>rd</sup>: Charlotte Thomas

Life is a vapour  
It's slipping through my fingers  
Why can't I catch it?

#### Special Mention:

#### Ellie Keeling

Mountains are too high  
Together we can make it  
The battles of life.

#### Liza Nayna

Looking to the sky  
I wonder what lies ahead  
Surely brighter days.

**Absent:**  
 Samuel Alladee (Vice President)

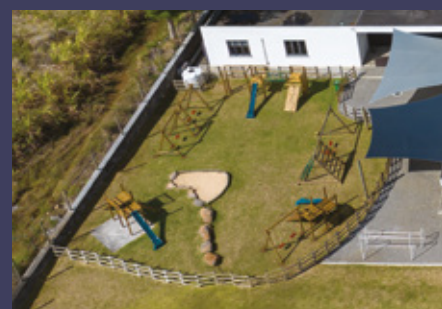

What a privilege it is for the PTA to be a part of Morning Star School's 20 Year Celebration! We've had a wonderful, fun-filled 2023. We kicked off the year with our famous **Family Fun Day** which was a huge success and was enjoyed by students, parents, and staff alike. We organised the first ever **PTA Colour Run**, which ended with a huge paint battle between the three Morning Star houses, and was finally won by the Blue Team. The children thoroughly enjoyed this event with many repeat requests made in the days that followed. During the event the PTA also set-up a memorabilia table with caps, mugs and stickers in the different house colours, all of this to mark the 20 year anniversary of the school.

The next event on our agenda was the long-awaited **Bingo Evening**, said to have been the best yet! We secured many wonderful prizes, with a huge Thank You to all our generous sponsors! There was a smile on every face, and although some disappointment for those that didn't win a prize, the chant of "Kombucha" kept everyone in good spirits and was heard for many weeks afterwards, finally putting to rest the famous "CocoTown" chant!

The funds raised from these events helped the PTA to fully cover the costs of the new primary school jungle gym which was installed in October. We were also able to make a donation to each Learning Centre and subject class, to contribute toward outings and the Duke of Edinburgh Scheme, Merit Shop rewards and other class treats, and to provide lunches for the staff and marshals at the 2023 Morning Star School Sports Day. Through generous donations from our corporate sponsors, MSS families, and sale of advertising pages, the PTA has provided the

funding for the printing of this amazing Yearbook! We would like to thank the dedicated team of parents and staff that make up the PTA: without them, this would not be possible. We welcomed Mr. Olinga as a new member to the Management Committee in July of this year and are excited for his contribution to the team. We would also like to encourage all of our school families to please renew their membership, or become members of the PTA in January 2024. It is a wonderful opportunity to participate in our school family events, to raise funds for our beautiful school, and to also spend quality time with our children and get to know other families that form part of this wonderful organisation. Thank you again for your continued support!

# HONOUR ROLL 2022

In order to achieve Honour Roll, students need to meet the following criteria:  
**Complete 72 PACES in the year • Achieve a PACE Test average of 88% or higher.**  
Congratulations to the 40 primary school students and 30 secondary school students who achieved Honour Roll in 2022. Students received their certificates and Honour Roll badges during the annual Prize Giving ceremony. They also had a pizza and ice cream party on the 23rd of June in the school hall, followed by an afternoon of fun and games. Well done to all of you!

# PRIZE GIVING 2022

The school holds an annual Prize Giving Ceremony and the following awards are presented:

### Academic Prize

Awarded to the student who completed the most PACEs with the best average at the highest PACE level (1 per Learning Centre in Primary and 1 per age group in Secondary).

### Progress Prize

Awarded to the student who the Supervisor and Monitor determine has made the most progress during the year (1 per Primary Learning Centre).

### IT/French/Art/Graphics Awards

Awarded to the students who excelled in these subjects or entered a specific school competition.

### Noble Laureate Shields

Awarded to the student who completed an I.C.C.E Certificate during the academic year with the highest overall percentage not lower than 95%.

### Golden Wreath Shield

Awarded to a single student working on an I.C.C.E Certificate level who completed the most PACEs with the highest average during the year.

### Shield of Honour

Highest achievable award in the school. Awarded to the student who has excelled in all aspects of school life.

### Sports Colours

Sports colours awarded to any student who represented the school and achieved top three at National Intercollege competitions.

### Academic Colours

Awarded to any student who achieved an overall 'A' average for any of the ICCE Certificates.

## OUR BRONZE AWARD STUDENTS

The Duke of Edinburgh's International Award is a global framework for non-formal education and learning, which challenges young people to dream big, celebrate their achievements and make a difference in their world. Through developing transferable skills, increasing their fitness levels, cultivating a sense of adventure and volunteering in their community, the Award helps young people to find their purpose, passion and place in the world. It operates in 129 countries and territories, helping to inspire millions of young people. And although the Award's framework remains the same wherever it is delivered, no two Awards are the same. Instead, each young person designs and creates their own bespoke programme, unique to them.

8 of our students, with the support of staff members have been working on the requirements to attain the bronze award for a 6-month period, working on a minimum of 3 months of community service, physical fitness, and learning a new skill, with an extra 3 months of one of the above. The last step is the "Adventurous Journey", which requires walking or another form of constant physical activity for 2 days and a night of camping outdoors in a group. This

year, the students chose to hike 20 km down from Petrin to Petite Rivière Noire carrying their required kit needed for the journey. After much effort and a lot of fun, they finally arrived at the camp site. There they set up tents and prepared their cooking fires for supper at the Nullatamby's who kindly welcomed the campers in their yard. They had a great time together even though it was a real challenge.

We want to thank Mr. Olinga, Mrs. Keeling, Mrs. Philippe, Mr. Hartmann and Mr. Arnachellum who accompanied them, as well as Nia Keeling, Julie Sauter, Joshua Wang, Caleb Vismer and Gabriella Lagesse. Thanks also to Amy Thompson, Matthis Fabien, Hanna Soobramanien, Jesse Nyathi, Ellia Gorayah and Mathilde Labonté who accompanied the students for their practice round of the Adventurous Journey. A big thank you to the MSS PTA, the School Management, and the parents for their great support.

The students can look forward to being presented their well-deserved award and certificate by a member of the Ministry of Youth Empowerment, Sports and Recreation. Congratulations to all of them!
